YOUR SPEAKERS

Dr. Ken Hale and Dr. RB Frost from the Implant and Sedation Center at Dansville Dental Professionals have been placing implants for more than two decades and are certified in IV sedation.

Learn how dental implants can:

- Eliminate removable dentures and partials for greater comfort and security
- Improve chewing for increased food enjoyment and better nutrition
- Provide a 100% cavity-proof tooth replacement
- Prevent bone loss that creates face collapse and looking older
- Provide an affordable, long-term solution to restoring your healthy attractive smile
