

CHOMPERS BITS

Dear Members,

Don't forget to check out our website uSmileNY.com under the [Kids Club Activities Page](#) to earn more points! Each month we have a new activity to complete. Points can be redeemed at any time or save them up until you've earned enough to get the prize of your choice.

-The Team at uSmile Orthodontics

PS - In this issue, we have included a **BONUS** activity. Be sure to complete and submit it to Dr. Mike at your next visit to earn more points!

February is National Children's Dental Health Month

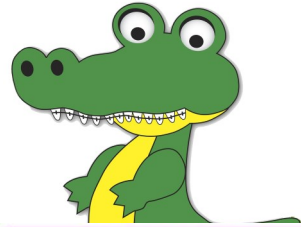

Keep your teeth healthy with the 2-2-2 Rule:

Visit your dentist **TWO** times a year,
brush and floss **TWO** times a day
for **TWO** whole minutes!

Congratulations Natalie!

Natalie won a Kindle Fire for naming our mascot.

HELLO
my name is

CHOMPERS

FUN FACTS

Alligators and crocodiles can grow quite large. The largest recorded alligator is 19 feet long while the largest crocodile is estimated to be close to 28 feet long.

Wow, now that's big!
